BIG NEWS!!!

The one-page format of our online newsletter does not facilitate publishing articles, book reviews and original research, so the Board has authorized the Publications Officers to undertake an Annual Online Journal.

CALL FOR PAPERS

We are now accepting submissions for the first issue of *Texas English Language Teaching (TexELT)*, an online journal, a publication of Texas Teachers of English to Speakers of Other Languages-Region V (TexTESOL V).

We seek contributions of three primary types that are of direct use and applicability for our members as teachers of ELL students in the TexTESOL V geographic service area:

Publication Priorities:

- 1. Action Research Reports**
- 2. Critical Reviews of Textbooks, Teaching Materials and Teacher Preparation Texts and Resources**
- 3. Research Syntheses for Application**

This is a peer-reviewed electronic publication which will be available free of charge to members through email Newsletter link and to the general public on the TexTESOL V website.

Submissions are due January 20, 2009.

Manuscripts which meet initial selection criteria will be sent to members of the peer jury of readers by February 15, 2009 and returned to the Publications Officers by March 19, 2009. Online publication is tentatively scheduled for April 24, 2009.

All submissions should be sent electronically to ritadeyoe@yahoo.com. The author(s) names should *only* appear on a separate page with the title of the article. Brief author biographies and small photos will be requested to accompany items accepted for publication. **Details here:** http://textesolv.org/index.php?module=pagemaster&PAGE_user_op=view_page&PAGE_id=51
