### Keynote Speakers for Fall Conference

**Stephen and Kayla Briseño** are Texas educators with over 15 years combined classroom experience. Both earned degrees in education from Sam Houston State University-- Stephen in Secondary English and Kayla in Elementary Education. Stephen and Kayla have taught English, ESL, and AP Literature the world over. They are devoted to being a helping hand to teachers and are devoted to the belief that as teachers we never fully arrive--there is always more to learn!

As teachers, Stephen and Kayla love to share their writing strategies, what they've learned along the way, and how much fun teaching writing can actually be.
